Hi Robert,

We are ready to issue a permit to Chris Rose for the south 40 acres of your permit and lease, but first we will need you to amend your Notice to remove the disturbance on the south 40 acres from your permit.

Attached is a Notice of Intent form (mr-smo-07252012_ML42750.doc) in Word format for you to complete. I started to fill it out consistent with Chris' submittal. Please fill it out completely (particularly the highlighted items), sign when you're comfortable with it, and re-submit it. You can scan and email the signed copy, or you can mail it in. Let me know if you have questions.

Attached is a PDF of your current Notice (dated 1995), for reference.

The attached maps that I sent last month are still appropriate, if you want to use them. Let me know.

Let me know if you have any questions. I'll be out of the office on Tuesday.

Peter
